

INT. THE HOUSE - NIGHT

AMY sneaks into the living room and opens David's laptop. She goes to the contacts and searches "Darcy," finding her number. She calls. The voicemail is full.

She goes through his emails. Nothing out of the ordinary; updates, promotions, work emails, etc. She goes back to the contacts and searches Darcy's last name. She finds a woman's name with the same surname, Darcy's mother. She calls.

DARCY'S MOTHER (O.S.)

Hello?

AMY

Hi. Um, I'm trying to reach Darcy but she hasn't been answering her phone. Is this a family member?

DARCY'S MOTHER

Who is this?

AMY

My name is Amy.

DARCY'S MOTHER

Are you friends with Darcy?

AMY

Um, not exactly but I'm worried about her. She was at a party earlier this week-

DARCY'S MOTHER

A party? She went to a party? Where?

AMY

It was at my house but I wasn't there.

DARCY'S MOTHER

Darcy has been missing for two days. How long ago was this party?

AMY

She's missing?

DARCY'S MOTHER

Yes. What's the address and who was there?

AMY

I don't know if I feel comfortable telling you that.
