MICROBIOME LABS

Your Gut Health Gift Guide

Give the Gift of Science-Backed Solutions

For Everyday Wellness Warriors

Our most popular spore-based probiotic promoting foundational gut wellness to support the whole family's digestive and immune health.

Also avalible in Gummies!
Suggested Gift Tip: Pair with a wellness journal.

For Winter Immunity

Give the gift of steady immune support. This formula features clinically studied immunobiotics and immune-supportive nutrients to help maintain balance and resilience through the colder months.

Suggested Gift Tip: Bundle with cozy herbal teas or a wellness blanket.

For the Holiday Feast-ers

Support digestive comfort during rich holiday meals with this enzyme-powered formula that helps break down food efficiently.

Suggested Gift Tip: Add a gourmet food item or festive napkin set to make it fun + functional.

For the Skincare Savvy

For those focused on radiant skin and strong gut health, this supplement supports a healthy gut lining and overall skin wellness.

Suggested Gift Tip: Bundle with a moisturizing mask or serum for a complete glow-up package.

For a New Year, New Gut

A three-step system designed to support microbial diversity, strengthen the gut barrier, and help reset digestive wellness for the new year.

Suggested Gift Tip: Pair with a gut health cookbook or a nourishing herbal tea trio to encourage a cozy, intentional fresh start.

For Winter Brightness

Formulated to support vitamin D levels, immune health, and overall wellness — especially when sunlight is in short supply.

Suggested Gift Tip: Pair with a cozy vitamin D lamp or a soothing herbal tea collection.

For the Dream Seekers

Drift into a peaceful night's sleep with this formula supporting restorative rest—perfect for unwinding during the holiday hustle.

Suggested Gift Tip: Bundle with a lavender-scented pillow spray or a plush eye mask for a dreamy bedtime routine.

For the Puppy Parents

Balance a furry friend's gut this holiday season with this spore-based probiotic that supports dogs' digestive health and immune resilience.

Suggested Gift Tip: Include a new chew toy to keep little Fido occupied.

For Women's Wellness

Supports everyday feminine balance and comfort through microbiome-focused care.

Suggested Gift Tip: Pair with bath salts or a cozy self-care item.
